

proto- type carbon fund

a public/private
partnership to mitigate
climate change

ANNUAL REPORT 2001

A bright blue sky with scattered white clouds. The clouds are soft and fluffy, varying in size and density, creating a clear and pleasant atmosphere. The blue is a vibrant, clear sky blue.

**Our mission is to pioneer
the market for project-based
greenhouse gas emission
reductions within the frame-
work of the Kyoto Protocol,
and to contribute to sustain-
able development.**
